

ASSASSIN'S CREED™

UBISOFT®

A low-angle shot of a modern, brutalist-style building with large concrete blocks and rectangular windows. In the foreground, a man in a grey hoodie and dark pants is running towards the viewer. The sky is blue with some clouds and a bird is flying. There are some trees on the left and right sides of the frame. The overall scene is from the video game Assassin's Creed II.

SLAM!!

A cinematic screenshot from the video game Assassin's Creed. In the foreground, Altair, a hooded assassin in a white robe with a red sash, is shown from the waist up, looking towards the viewer. He is standing on a stone ledge or wall. In the background, a large, imposing stone fortress, St. Jean d'Acre, rises against a cloudy sky. The fortress has multiple towers and battlements. A flag with a red cross on a white field is visible on one of the towers. The scene is set in a historical, Middle Eastern environment, with palm trees visible on the right side of the frame.
